## Opening Minds to the Promise of Higher Education

ECMC provides educators free curricula and training because we believe every student who wants to go to college should have the opportunity.

### Persist in Higher Education

*Persist in Higher Education* can help you keep your students in college. It gives you tools that can increase retention and graduation rates, especially among low-income, first-generation college students of all ages.

The *Persist in Higher Education* program helps higher education professionals:

- Assess institutional retention performance
- Create programs that support academic success
- Help students who are concerned about paying for college

Thousands of educators and community organizations have learned engaging, innovative ways to put our curricula to work during free, full-day workshops.

### Workshops include:

- Highly interactive training environment
- Innovative applications for curricula implementation
- Experiential, game-based techniques for teaching fundamentals
- Facilitation by professional trainers

### About ECMC

Established in 1994, Educational Credit Management Corporation (ECMC) is a nonprofit company that provides support for the administration of the Federal Family Education Loan Program as a student loan guaranty agency. ECMC sponsors programs to help students and families plan and pay for college. We work with schools and loan servicers to lower student loan default rates, promote financial literacy and provide resources to support student loan borrowers to successfully repay their loans.
