## Program Evaluator

The data you need to analyze the overall health of your programs.

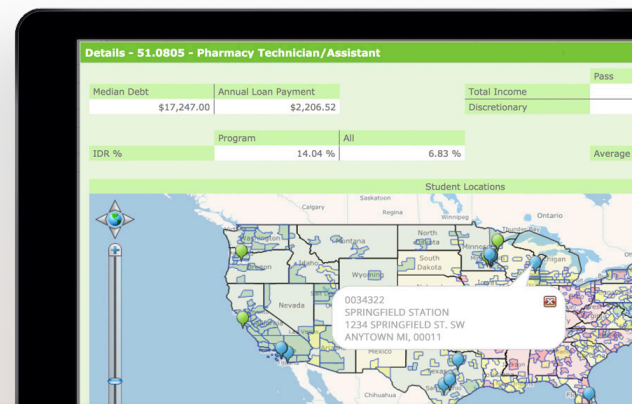

### Elements

- Sophisticated analytics evaluate the health of your population by program in real time
- Interactive HeatMap to forecast average starting wages by program of study by student location
- Data includes (but not limited to) repayment rate, completion rate, default rate, and actual student income and employment by program
- Reasonable debt levels determined and displayed based on future income potential
- Powerful data forecasts the average starting wage by program of study and location
- Real-time job search tailored to each student and program of study
- Visual planning tool facilitates incoming student program selection

### Benefits

- Provide enrollment and retention support
- Identify trends and student risks by program
- Dashboard backed by flexible database that is capable of importing additional student attributes
- Provide early and focused intervention
- Increase student loan repayment rates
- Supplement career services support and tracking
- Strengthen program and cost planning
- On-demand reporting

Designed to work within our award-winning LoanTracker® system, Program Evaluator puts the power at your fingertips to effectively manage your programs and provide your students with essential support.

CIP Code	Program Description	Complete Rate	% Employed	High	Medium	Support
NA	No GENEX1 record matched to a loan	0.00 %	9.09 %	81.82 %		9.09 %
29.0201	Bible/Biblical Studies	32.14 %	11.61 %	86.61 %		12.50 %
29.0601	Theology/Theological Studies	63.64 %	18.18 %	81.82 %		18.18 %
29.0602	Divinity/Ministry	32.58 %	10.11 %	87.64 %		12.36 %
29.0699	Theological and Ministerial Studies-Other	21.43 %	10.71 %	85.71 %		14.29 %
29.0701	Pastoral Studies/Counseling	40.00 %	16.67 %	73.33 %		26.67 %
